

## Graduate Certificate in Global Health Nursing

### Course Planning Checklist

15 credits are required for completion, of which 6 credits must be from required courses, 6 credits from elective courses, 3 credits from the required capstone project. 9 credits must be graded. Up to 6 credits may overlap with your degree if they are elective credits for both programs. Cumulative GPA must be 3.0 or higher. A GPA for each class must be 2.7 or higher.
